

The Village Club Enrichment Fund Board of Directors are excited to announce that two \$1,000 scholarships have been awarded to these two exceptional and impressive women who are the children of TVC employees for the 2021-2022 academic year.

CORTNEI COOKS

Cortnei is a rising senior at North Carolina Agricultural and Technical State University, pursuing a BA in Psychology and Criminal Justice. As a Resident Advisor and a Multicultural Student Ambassador, she promotes campus-wide awareness of multicultural, diversity and inclusion through education, training, community service and programming. She is a member of the Big Brother Big Sister Organization and she has served as a substitute teacher for the Greensboro Day School. Her many student activities include Psi Chi (International Honor Society of Psychology), Zeta Phi Beta Sorority, Henry E. Frye Pre-Law Society Member, Psychology Club Member, and Mid-West Aggies Club Member. Cortnei graduated from Brandon High School and her father, John Cooks, is a valet at The Village Club.

BRIANNA HICKS

Brianna is a senior in the Lyman Briggs Honors College at Michigan State University majoring in Neuroscience with a minor in Bioethics with plans to attend medical school next year. She is a Research Assistant, participating in child development under the direction of two university professors; and she is also an Undergraduate Biology TA, assisting students in Introductory Biology classes. As part of the Honors College, she mentors an elementary school student to ensure academic success and she is very involved with her community through a program called OMSP (Osteopathic Medical Scholars Program). In addition to her many activities on campus, Brianna maintains a perfect 4.0 GPA at Michigan State! Brianna graduated from North Farmington High School and she is the stepdaughter of Christopher Geary who is a valet at The Village Club.
